

We meet on Tuesdays in the Chapel and then Chestnut Lodge or the Tithe Barn. **Cancer patients** and their carers meet on the **first and third Tuesday** of each month, and **Parkinson's Disease patients** and carers on the **second Tuesday** of each month.

All patients and carers are very welcome, of any denomination or none. The ministry they will receive is Christian – God's love, with our love as His channel. The atmosphere is informal, *warm and caring*. Church ministers of any denomination and health care professionals are also very welcome.

The philosophy of the Loseley Help Centre is one of sharing, in the firm belief that talking about your suffering, being listened to and listening to others is helpful in coping with pain, and can lead to various forms of healing. The day's programme is centred around the sharing of experiences and milestones.

The Chapel in the grounds of Loseley House. Car parking, Chestnut Lodge and the Tithe Barn are close by.

The day starts with music in the Chapel from 12 noon. An optional Eucharist (Holy Communion Service) starts at 12.30 pm including prayer with the laying on of hands for any desiring it. If you are attending the Eucharist you are asked to arrive by 12.20 pm. All are welcome to receive Holy Communion with us if that is your custom.

Ministry of prayer and the laying on of hands during the Eucharist in the Chapel. Anointing with Oil is also offered during the Eucharist, usually four times a year.

After the service in the Chapel, the rest of the day's events take place in Chestnut Lodge or the Tithe Barn, both being close to the Chapel. Visitors are invited to bring a packed lunch and to eat it with other members of the group. Tea and coffee are provided. This offers a great chance to catch up with the latest news from friends made on previous visits. This contact is a very important part of the healing process.

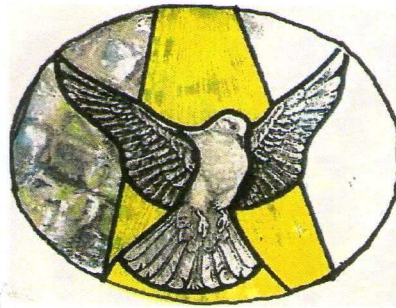

Fellowship over lunch.

After lunch the group adjourns to another part of the Lodge or Barn for singing hymns and songs, a talk and discussion time. Those present are invited to update the group on their condition and progress. An update is also provided on the progress of those regular members of the group who are not present. Prayers are offered and blessings received.
