

## ACCESS

The five GUM clinics in Surrey are all working together to ensure patients are seen as quickly as possible. There is now a "walk-in and wait" clinic open every day in Surrey. However, due to the current high demand you may have to wait for an appointment/be seen. In an emergency, clinics will always try and see someone that day.

You do not need a referral from your GP to visit any of the clinics.

These clinics are open to all people of any age including young people under 16.

## OTHER SERVICES

Other services e.g. family planning clinics are starting to offer treatment for some STIs. For more information contact individual clinics or visit:

## SEXUAL HEALTH (GUM) CLINICS IN SURREY

Now more choice!

March 2007

## SERVICES PROVIDED

All Genito Urinary Medicine (GUM) clinics in Surrey offer free and confidential service to all patients on a self referral basis.

All clinics provide diagnosis and treatment of sexually transmitted infections (STIs) and other genital conditions, HIV testing/counselling and safer sex advice and information.

Emergency contraception is also available from GUM clinics.
